Re: Prequalification Confirmation

Dear Mr. DiPompeo:

I have received the necessary corporate documents from your company, and verified the active status of your corporation and license.

In accordance with Rule 60D-5.004, Florida Administrative Code, you are hereby advised that your firm is prequalified for bidding as a Certified General Contractor for the period of February 10, 2010, through June 30, 2011, on projects advertised and administered by this Agency.

*This letter of prequalification is valid for any project that is bid by the Department, or one of its agents, throughout the biennium. You do not need to prequalify for each project during this biennium.*

It is your firms' responsibility to request renewal, and provide the proper documentation for verification should any license(s) expire before **June 30, 2011**, in order to remain prequalified throughout the current period.

I will need to receive a written request (fax or e-mail) from your firm to continue your prequalification status and receive copies of your renewed Certified Contractor license(s), Corporate Charter (Certificate of Status) or Certified Minority Business Enterprise (CMBE), if applicable.

Prequalification with the Department of Corrections will not automatically prequalify your firm with other Agencies.

**Please include a copy of this letter with your response to bids, quotes, or submittals to the Department. If you are also a CMBE, please include a copy of that Certificate along with the copy this letter.**

Sincerely,

A handwritten signature in blue ink that reads "Sandra L. Rogers".
